## Brew Notes: Top 15 Imports

### **Palm Ale Brouwerij Palm Belgium**

Made with English hops, French Barley and Belgian yeast, this is a true European hybrid, imported by Latis Imports of Ridgefield, CT.

Amber in color, with a delicious maltiness, balanced with fruity characteristics from the yeast.

"Wonderful soft fruity aroma," Gregg Glaser said.

"Fruit and malt throughout," Robert Lachman observed.

"Nice sweet malt here, but very crisp," Tom Conti said. "Overall, an awesome beer, and I like the way it dries out at the end."
